Press Release

5 July 2007

Clean Air Power Limited

("Clean Air Power" or "the Company")

Appointment of new Non-Executive Director

The Board of Clean Air Power Limited (AIM: CAP) is pleased to announce the appointment, with immediate effect, of Bernard Lord as a Non-Executive Director of the Company.

Bernard Lord, aged 41, is a solicitor and lives in Fredericton, New Brunswick, Canada. Since completing his second term as Premier of the Province of New Brunswick in October 2006, he has joined the leading Canadian law firm McCarthy Tétrault LLP as Senior Counsel. His interest in transportation was evident during his tenure as Premier during which time major investment in infrastructure of the road network of New Brunswick was made. His commitment to the environment was demonstrated by the creation of Efficiency New Brunswick, an agency dedicated to the reduction of energy consumption and costs and improving the environment.

John Pettitt, CEO of Clean Air Power Limited, commented:

"It gives me great pleasure to welcome Bernard to our Board. His knowledge of the transport sector and track record in promoting energy efficiency are a perfect fit for Clean Air Power. In addition, Bernard's legal and political experience will add an extra dimension to the Board as we look to drive forward the growth of the company."

There is no other information to disclose in accordance with Schedule 2 (g) of the AIM Rules.
